

## ANADARKO ANNOUNCES MOZAMBIQUE LNG SALE AND PURCHASE AGREEMENT

HOUSTON, Feb. 20, 2018 /PRNewswire/ -- Anadarko Petroleum Corporation (NYSE: APC) today announced **Mozambique** LNG1 Company Pte. Ltd., the jointly owned sales entity of the **Mozambique** Area 1 co-venturers, has entered into a long-term LNG Sale and Purchase Agreement (SPA) with Électricité de **France**, S.A., (EDF). The off-take agreement calls for the supply of 1.2 million tonnes per annum (MTPA) for a term of 15 years.

"EDF is one of the world's largest electric utilities, and reaching this SPA continues to validate Mozambique LNG's position as a competitive long-term LNG supplier and as one of the world's leading greenfield projects," said Mitch Ingram, Anadarko Executive Vice President, International & Deepwater Operations and Project Management. "Mozambique LNG is unique in its ability to supply LNG to a variety of geographic locations to serve its customers, and this SPA gives us flexible access to **Europe**, which is one of our key strategic markets. The EDF sale is included in the portfolio of sales of more than 5 MTPA for which we have agreed key terms, and we continue to advance additional off-take arrangements. We anticipate the future development of Mozambique LNG will open new opportunities for the country and serve as a growth platform for its ongoing development."
